Semi Final 1: Team in first place plays team in fourth place

Semi Final 2: Team in second place plays team in third place

Final: Date to be confirmed (during school)

Win = 3 points

Loss = 1 point

Dear Parents/ Guardians,

We will be starting our annual basketball league this year on Tuesday 18th March. In previous years the emphasis was always on participation and teamwork, and this proved to be both enjoyable and healthily competitive. Once again, we would like to re-emphasise the importance of individual participation, teamwork and above all FUN. We hope that no child will feel unhappy with their team and that everyone will enjoy the league.

We also ask the parents and the children to remember that the league is about the children enjoying themselves. **It's the taking part that counts, not the winning!** Unfortunately, again this year, we need to ask the parents not to come and watch the matches. Due to lack of space and big numbers on each team we cannot facilitate any extra people. Only the players on the teams playing on a particular day can stay to watch. Please remind the children that they are not allowed to leave the school grounds before or during basketball. The children are encouraged to bring an extra drink.

As we are encouraging positive behaviour and FUN we will continue to operate our system of yellow and red cards. **If a child is uncooperative, breaking the rules or talking back to the referee they will receive a yellow card. This means they will be suspended for one match. When they come back, they will be given another chance but if it happens again, they will get a red card and they will be suspended from the league.**

All of the information regarding the league will be on the school website. If there are any changes to the matches, we will put it on the website and the team captains will let their team know. If any matches cannot be played due to weather, we will play these matches at the end and we will post the dates on the website.

Yours sincerely,

The Basketball Coaches

Four quarters will be played for each match.

Each quarter lasts 8 minutes.

Five people play at a time for each team.

If a match is cancelled due to bad weather, we will play it at the end.

We expect very good behaviour from all teams.

GOOD LUCK AND HAVE FUN!!
